Public Records Fee Information:

In the event there will be a fee to fulfill your public records request, you will receive a written, good-faith estimate of the cost prior to fulfillment; however, the fee assessed will not exceed the actual cost of producing the desired records, which may include the following costs:

- a) the cost of any storage device or material provided to a requester;
- b) the cost for black and white paper copies or printouts at 5 cents per page;
- c) the cost incurred to a copy a record not susceptible to ordinary means of reproduction;
- d) the cost of postage, if applicable;
- e) the cost of employee time spent searching for, compiling and reproducing the records based on the hourly rate of the lowest paid employee capable of performing the task.
 - i. Please note the first two hours of employee time is provided free of charge, and the hourly rate shall not exceed \$25/hour unless necessary and approved in advance by the Supervisor of Records. Any such petition to the Supervisor of Records to assess a higher hourly rate will be provided to the requester.
- f) the cost to segregate or redact records if necessary and approved in advance by the Supervisor of Records. Any such petition to the Supervisor of Records to incur such costs will be provided to the requester.

Please note the Town of Arlington may waive the fee upon a showing the that disclosure of the requested records is in the public interest and contributes significantly to public understanding, or upon a showing the requester lacks the financial ability to pay.
